EDUCATION

COER UNIVERSITY

Bachelor of Computer Applications

XII (CBSE)

Adarsh Bal Niketan, IIT Campus, Roorkee

X (CBSE)

Adarsh Bal Niketan, IIT Campus, Roorkee

PROJECTS

Portfolio: - A fully responsive website to showcase my skills and projects, built using HTML and CSS.

Landing Page: - Created a responsive landing page with modern design principles, featuring hover effects and smooth scrolling. Built with HTML and CSS, it is optimized for mobile and desktop devices.

Calculator: - Developed a fully functional calculator for basic arithmetic operations using HTML, CSS, and JavaScript. It includes a user-friendly interface, supports keyboard input, and provides immediate feedback on calculations.
